Ways of Giving

You can make a difference

Episcopal Community Services helps individuals and families with multiple needs overcome the impact of poverty. ECS relies on the generosity of individual, church, foundation and corporate donors for a substantial portion of its annual operating budget of over \$19 million each year. As government funding continues to decline, philanthropic support becomes even more crucial to help ECS bridge the gap.

The Annual Fund fuels the heart and soul of ECS' 81-year tradition of "serving God by serving those in need." Unrestricted gifts to Episcopal Community Services enable us to direct monies to some of our most critical needs: housing and supportive services, child care and education, mental health services and domestic violence prevention. Virtually no aspect of Episcopal Community Services is left untouched by Annual Fund support.

Services such as safe transitional housing, counseling and vital life skills would not be possible without the support of our community. Through your generosity, ECS will continue to care for thousands of families and individuals for generations to come.

Make an immediate difference in the lives of children and adults by making a contribution today.
